

My visit to Mná Women's Health Clinic

We are located at 1 New St,
Killarney at the junction
between Main St and New St.
Our Clinic is Upstairs – beside
Sewells pharmacy.

There is a black door – you enter through the door and go up the stairs to the entrance to the clinic – there are signs on the doors inside the building to direct you to the clinic

This is where I go into the clinic.

The reception is inside the door with the sign Mná Women's Health Clinic .
Here you will wait for the Doctor or Nurse to see you. There is seating here while you wait

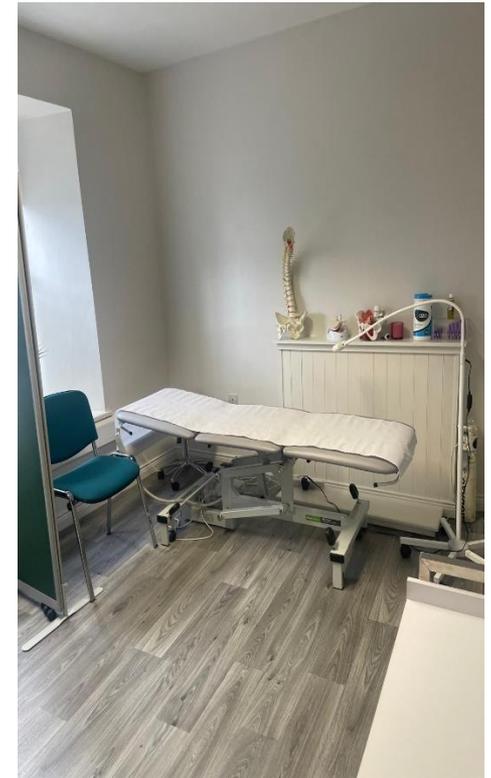

There are 2 rooms in the Clinic

You will see the signs on the doors

One is for Doctor's room and one is for the nurse's room.

Here is what the rooms look like there is a seating area where you can talk to the Doctor or Nurse and an examination table in each room also. The Doctor or Nurse will tell you what to expect when you visit.

I am going to meet ...
Dr Máire Cleary or
Nurse Triona Casey

Here we will ...
Be able to talk to the
doctor or Nurse

We look forward to welcoming you to Mná Women's Health
Clinic
