

Visual guide for **Adams Jewellers** Shop

This is a visual
guide of what to
expect when you
visit

Adams jewellers

In Adams jewellers we
provide a large variety
of watches, jewellery
and rings as well as
jewellery repairs.

Just inside the door you will
find the front desk as well
as 1 or 2 of our retail
assistants behind the
counter ready to help

At the front of the store
to the left is our sterling
silver cabinets

At the front of the store to
the left is our 9ct gold
cabinets

To the back of the store are
our branded jewellery
cabinets

If the shop is busy and the customer wishes to wait to be served we have a couch just to the left of the entrance

We also offer a sensory box for customers who wish to use these them while in the store

Customers can expect to find:

Music playing at a low volume

Phone ringing

May need to wait to be served
